

# Global Explorers

People in our group:

Christian Aid has a dream and that is to see a world without poverty. Do you share that dream? What can you do about it? Lots! Let's make an action plan...

## Our *Make a Difference* action plan

Now that you have learnt about some people in other countries, you are going to spend some time in small groups thinking about how you would like the world to change and become a better place to live. You will need one of these worksheets for each small group.

In your groups, talk about the questions below and fill in the spaces using words or pictures.

What was the problem?

What would you like to see happen?

Name of country you learnt about

What could you do to help?

What did Christian Aid do?

Once you've decided on your action, start planning! Use this 5Ws grid to help you plan what you are going to do.

<b>What</b> will we do?	
<b>When</b> will we do it?	
<b>Why</b> are we doing it?	
<b>Who</b> will do what?	
<b>Where</b> is the best place?
